Are you a golfer who would like to support a great cause and have some fun and great fellowship at the same time? If so, then join us for one or both of our annual golf outings!

Both outings help support the David L. Castor Campership Fund - a fund that provides camperships for children who otherwise could not afford a week of camp. It is our policy that no one be turned away from camp programs due to lack of resources.

For more information on tournament schedules, events, and registration, please contact Susan Baum at: 910.458.0783 or via email at kurebeach@agapekurebeach.org.
